

Animated Series / Live Show / Concert Tour

In Finland the two sisters Hansu and Pauski give concerts as Mimmit and do a live show MIMMIKOTO for broadcasting.

For children it is very nice and exciting to see the Mimmit live. They want to hug the two ,girls' and take pictures with them. The Mimmit receive many fan mail, drawings, handicrafts from the children. The performers look the same as the animated characters.

This concept is very succesful and may be transfered to other countries. The costumes, hair - the entire look and appearance - need to be like for the two characters in the animation series. As background pictures for the concerts the Mimmit animation shall be used.

MIMMIKOTO 1st season of 20 ep. x 10'
 2nd season of 20 ep. x 10'
